

Wanderers awarded the Floodlight

IN their first season of Premier Mid-week Floodlight League competition, Wycombe Wanderers have been awarded the 1969-70 Championship.

A meeting on Friday, 24 hours after Wanderers' win at Leatherhead, came to a unanimous decision that the competition should be halted at its present stage, and Wanderers, the leaders of the three-club play offs, were pronounced winners.

As such they end the hat-trick aspirations of crack Athenian Leaguers, Walton and Hersham, who have carried off the trophy for the past two years and qualified for the final stages as Section B champions this time.

Walton, at present involved in a tour, were unable to fulfill their outstanding fixtures before next season, and had lost their only match in the play-off series to date, against Leatherhead.

Positions at the halt were:

	P.	Pts
Wycombe W.	2	4
Leatherhead	3	3
Walton and H.	1	0

Commented Wycombe manager, Brian Lee, on the decision: "I'm glad for the lads' sake. They deserve a little something this year."
